

Registration for 2015 Health Checkup

All students are required to have an on-campus health checkup at the Safety and Health Organization building (next to the Center for International Research and Education).

Pre-registration is required when you take an on-campus health checkup.

In order to log-in to the health checkup system by Safety and Health Organization (SHO) at Chiba University, all students need to have a Chiba University e-mail address.

Registration is available only from a PC connected to LAN terminal on campus.

To access the health check-up system, students need;

- Student ID card
- University e-mail address
- Password

If you don't have university email address yet, or you forgot your password, inquire at the following:
